The Dog Hut Pricing Schedule and Guidance

Shih Tzu	£35
Tibetan Terrier	£40
West Highland Terrier	£35
Wire Hair Fox Terrier	Clipped - £35 Handstripped - £50
Yorkshire Terrier	£35

These prices are based upon dogs being groomed **every 4 to 8 weeks** and coat that is in good condition. Anything more than **15 mins of knot removal** is chargeable at an extra £21.00 per hour as the groom will take longer. The De Matting process will not be rushed to make sure we maintain the **welfare of the dog** and the process will be discussed with the owner.

Hand stripping will only be carried out where there is dead coat, no hand stripping of live coat is considered acceptable.

The above prices include as standard:

A 7 Point Health check with feedback to the client, post groom.

Anal glands checked. No anal gland expression.

Nail Trimming.

Ear Cleaning (As Required). No ear plucking.

De-Shedding Treatments carried out on appropriate breeds. This is a three-stage process and helps prevent shedding in your home for up to 4 weeks and improves coat and skin condition. See our web site for additional information.

New clients are welcome and will be requested to complete a dog grooming registration form on arrival to ensure we have all your dog's details and that you are aware of, understand and are willing to comply with our Terms and Conditions. A copy is available on our web site. Your registration may be completed during your consultation and you need to allow time during your drop off for this and time during collection for feedback post groom.

Please discuss your requirements with your Dog Groomer; we are willing to groom your dog to either show or breed standard or to your individual requirements. All grooming finishes are carried out by a senior stylist. We specialise in large breeds and companion animals.

The Dog Hut Pricing Schedule and Guidance

Stand Alone Nail Trimming	£10
Eye Envy Treatment	£11

Special Treatments		
Shampoos	£3 to £5	Dependant on size of dog & product used
Conditioners	£3 to £5	Dependant on size of dog & product used

Some dogs may not be groomed unless there has been an appropriate consultation prior to the preparation stage. This allows for an assessment of the client's expectations and the dog's individual needs.

If your dog breed or breed type is not shown on the chart above then do contact Sara Hart LCGI for information on the suggest price schedule for your needs.
